CIVIL ACTION NO. CV-74-S-12-S

By motion dated January 24, 2012 (Doc. Entry No. 1769), Jefferson County sought relief from a previous ruling that required it to refrain from hiring personnel pending further orders of the Court. Specifically, based on articulated exigent circumstances, Jefferson County requests that it be permitted to make selections for the positions of clinical nurse practitioner, principal buyer, chief deputy coroner, chief court clerk and principal court clerk. By order dated January

25, 2013, this Court required plaintiffs to respond to the motion on or before February 8, 2013.

The County seeks authorization to follow its established procedures for recalling principal buyers from its layoff list and for requesting that the Jefferson County Personnel Board develop lists of eligibles for the positions of deputy coroner and chief court clerk. The United States does not oppose the County's proposed actions.

With regard to the clinical nurse practitioner position, the County proposes to select from the qualified individuals on the certificate of eligibles for those positions. The Martin Bryant parties indicated by email dated January 22 that they do not object to the County's proposal; the United States also does not oppose the County's selection proposal.

Respectfully submitted,
